ABOUT TECNOLÓGICO DE MONTERREY:
Monterrey Tech was founded in 1943 by a group of entrepreneurs headed by Don Eugenio Garza Sada. Seeking to educate professionals and equip them with the skills needed to succeed in the business world, Tecnológico de Monterrey has developed into an institution recognized - both nationally and internationally - for its academic excellence. Origin of the 33 campuses around the country, Tecnológico de Monterrey, Campus Monterrey has received national and international recognition for its 64 years of academic excellence. Our mission is to educate individuals, like you, who are committed to the social, economic and political improvement of their communities. And, to educate those who are internationally competitive in their areas of specialty.

Tecnológico de Monterrey, Campus Monterrey has 17,092 full-time students. With 1,400 of its students coming from across the globe, one of Tecnológico de Monterrey’s priorities is internationalization. To strengthen its worldwide presence, Tecnológico de Monterrey maintains fifteen liaison offices throughout the United States, Canada, Europe and Latin America, promotes an international exchange program offering academic research and continuing education for both students and professors, invites foreign professors to serve as visiting faculty members, and encourages proficiency in English for students, faculty and administrators.
