COURSE REGISTRATION PROCESS AND TIMELINE: Course enrollment:
Students will be enrolled before the semester commences in the business modules (a maximum of 6 modules) indicated in the application form, subject to availability. They may not alter their choice of courses until they arrive in NUS. However, they can list alternatives in case the 6 modules they have selected are not available or enrollment is full. During the first week of the semester, all students are allowed to add or drop the modules subject to capacity constraints. Although, we do not stop students from enrolling for Level 2 modules, they are encouraged to enroll for Levels 3 and 4 modules which are more advanced. Students in the undergraduate program can only select modules from within the undergraduate program.

STUDENT SERVICES AVAILABLE: Library facilities, banking facilities, postal services, computer services, telephone services, sports and recreation facilities, health services, canteen facilities.
